

Teleconference CD with Audio and Visual Components included With Registration!

CDs of ASCP Teleconferences are included with your order. Each CD includes the unedited lecture and discussion portions of the program, as well as all visual components. Please allow 5–10 business days after the program for delivery.

Registration Information

- **Register by July 31, 2009 for all programs and save \$50 per program.**
- Receive email confirmation within 1-2 business days after placing your order. Call ASCP Customer Services at 800.267.2727, option 2, if you have not received confirmation three days prior to the program date.

On-site Seminar Manager

The on-site seminar manager is the person responsible for coordinating the logistics of the program at your location. For more information on on-site seminar manager responsibilities, contact the ASCP at 800.267.2727, option 2, or visit our website at www.ascp.org/teleconferences.

Equipment/Hardware Requirements

To participate in ASCP Teleconferences, all you will need is a telephone. For the webcast option you will need a computer with Internet access.

Program Materials

On-site seminar managers may download program materials from the ASCP website two weeks before each program. Instructions for downloading materials will be included on your registration confirmation.

Program materials consist of a slide presentation, a supplemental handout, on-site seminar manager instructions, and other supporting documents in PDF format. Adobe® Acrobat Reader 3.0 (or later version) is required to view and print the materials.

Documenting Participation

To receive CME/CMLE credit, participants should be present at the live audio broadcast where the on-site seminar manager is authorized to document participation. On-site seminar managers or authorized individuals must submit attendance verification online within 30 business days of the live broadcast, and then print certificates of participation. Please see detailed instructions in the on-site seminar manager instructions included with program materials. Please note: on-site seminar managers and participants are not authorized to distribute ASCP Teleconference materials to third-party locations for post-conference use.

CME/CMLE Credit

The American Society for Clinical Pathology (ASCP) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

The ASCP designates these educational activities for a maximum of the indicated number of *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activities.

These activities meet MOC Part II Lifelong Learning requirements.

ASCP designates these activities for a maximum of the indicated number of Continuing Medical Laboratory Education (CMLE) credits.

These activities meet CMP and state relicensure requirements for laboratory personnel.

Cancellation Policy

A full refund will be issued for cancellations received in writing no later than seven days prior to the start of a teleconference. Refunds are not issued for cancellations received after the seven-day deadline; however, substitution for another program is permitted. Contact ASCP for the substitution policy.

ASCP reserves the right to cancel a teleconference due to circumstances beyond its control. Cancellations will be announced no later than five business days before a program's scheduled date. Registered sites are notified immediately and receive a complete refund OR a credit for programs canceled by ASCP.
