

OFFICE OF THE MAYOR

CITY OF CHICAGO

RICHARD M. DALEY  
MAYOR

**GREETINGS**

As Mayor and on behalf of the City of Chicago, I extend warmest greetings to all those attending the American Society for Clinical Pathology (ASCP) 2009 Annual Meeting.

Comprised of nearly 130,000 pathologists and laboratory professionals, the ASCP seeks to foster excellence in laboratory medicine. This year's conference brings together members from all over the world in order to culminate discussion and raise important issues which impact the field of pathology and laboratory medicine.

While you are here, I hope you will take time to discover all that makes Chicago a great place to live and visit. I know you will like what you find. From our great architecture and our beautiful Lake Michigan shoreline, to our exciting nightlife and world-renowned cultural institutions, Chicago has something for everyone. Best wishes for a successful and enjoyable event.

Sincerely,

  
Mayor
