

Follow these steps to access your free CE exercises:

**Step 1** - Login from the right side of ASCP homepage [www.ascp.org](http://www.ascp.org).

**Step 2** - After a successful login you will see a welcome message in red with your name. Click **My Account** from welcome box. You will now see your profile screen (see below)

**Step 3** - Click on the link [Manage Free CE Credits](#) located in the Education Home section of page. *Note that if you are part of the **re.member** plan, your credits are now all available through the **re.member** portal: [ASCP.org/remember](http://ASCP.org/remember)*

*Note: the next screen you will see is shown below. You are presented with two columns (Available Free CE Courses and Selected/Completed Free CE Courses).*

**Step 4** - Place a check mark adjacent to the course(s) you want then click "Select" to move to the select column.

**Free CE Exercises**

**Check the courses you would like and move them to the selected CE on the right by using the Select button.**

**Save the Courses for later or go to My Courses to take one now!**

**Step 5** – If you elected to "Take Courses Now," click on a Program Title to start the exercise.

**My Courses & Exams**

Click on a **Product Code** or **Program Title** to launch your course. Launching a course will take you away from this page. To return to your Courses & Exams page, click on **Education Home** in the upper right corner. If your earned credit/s for a completed course are SAM eligible, click on **Yes: Select SAM Credit** (note: you will not be able to change this back to the default credit type).

Order Date	Order No.	Product Code	Program Title	Credits	Credit Type	SAM Eligible?	Completed Date	Expiration Date
