

# American Society for Clinical Pathology Ambassador Application

### Eligibility

- Be a graduate of a NAACLS- or CAAHEP- accredited laboratory science program
- Have graduated with a cumulative 3.0 GPA (on 4.0 scale)
- Have become ASCP certified within the past five years
- Be a member of ASCP

### Application Checklist

- Submit a three-minute video answering the question “Why did I become a laboratory professional?”** The video can be sent via CD or DVD. Applicants may also upload the video to YouTube. Please make sure links to videos are working prior to submission.
- Submit a one-page letter of recommendation.** The letter should come from a supervisor, hospital administrator, clinical director or professor that speaks to the applicant’s passion for the profession.
- Submit a transcript.** The transcript should clearly show your grades/GPA throughout your degree/certification program. *Note: Military applicants, please submit phase completion paperwork signed by education head.*
- Complete application below in its entirety.**
