PART I (To be completed by Applicant) English Only

Applicant's Name

Address

E-mail Address

****

PART II (To be completed by Employer)

SUBJECT: Verification of Experience for Examination Eligibility

This individual, identified above, has applied for Board of Registry Certification as a Phlebotomy Technician. In order to establish this applicant's eligibility for examination, the following information is necessary.

I. This applicant has demonstrated proficiency in phlebotomy by successful completion of 50 unaided blood collections including:

_____ Venipunctures

_____ Skin punctures (e.g.: Skin Punctures, Heel Sticks)

_____ Orientation in an approved/accredited laboratory

II. *This form must be completed and signed by an appropriately qualified supervisor (certified/licensed/registered medical technologist, licensed nurse or other licensed/certified health care practitioner) or it will not be acceptable.* By signing this form, I verify that this applicant has performed satisfactorily in Phlebotomy in the areas checked above.
