ABOUT LAB WEEK

Gene P. Siegal, MD, PhD, FASCP

Dear Colleague,

Medical laboratory professionals possess a wealth of knowledge and are an invaluable part of the pathology and laboratory medicine healthcare team. Most are rarely seen by patients. Yet I cannot emphasize enough the enormous impact each of you have on the delivery of quality patient care.

This year, ASCP is celebrating Medical Laboratory Professionals Week (Lab Week), April 19-25, with the theme, “Fellowship of the Lab!” There are many ways to have fun with this theme, while sharing with your healthcare colleagues a compelling message of the vital work you do.

From entering your lab to win an ASCP-sponsored Lab Week prize to purchasing apparel, this catalog includes many ideas for bringing Lab Week to life in your care setting. I hope you will join us for Lab Week to shine a spotlight on your profession.

It's our opportunity to come together as a team of medical laboratory professionals and pathologists to recognize the importance of our unique fellowship, as well as our critical role in providing effective patient care. ASCP is the only organization that represents every member of the pathology and laboratory medicine team. No one in our profession works in isolation.

Let this booklet inspire you to get creative with the ASCP Fellowship of the Lab Photo and Video Contest. See page 4 for details on how to upload your content and vote for your favorites.

Now, let's celebrate our commitment, passion, and dedication to patient care!

Warm regards,

Gene P. Siegal, MD, PhD, FASCP
ASCP President
